

# Ejas Ahemmed

B tech graduate

I am a hardworking and ambitious individual with a talent for thinking outside the box and coming up with innovative ideas. I have completed my B-TECH specialized in CSE at Kerala technical University. I have excellent communication skills, enabling me to effectively communicate with a wide range of people. I am seeking a position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization that I work for.
